NOTES FROM YOUR DIRECTOR:

Performance Rules

No Dancer or team will be allowed to perform out of order or perform twice. Please be ready at least 10 numbers before, and arrive at least an hour or more before you think you will perform. We almost always run on time, and often early. We will not slow down the show to accommodate those who are not ready. Solo/Duo/Trio participants will receive their number at check in. Have multiple copies of your CD and please don't use CD-RW's!

About LHS and the UDF Stage Competition:

The Logan Senior High Auditorium is an excellent stage and concert hall. Stage dimensions are approximately 37 feet wide by 40 feet deep. (That is nearly the size of a high school gym floor.) Because of the way the show order is designed, most studios will compete within a block of time, or in blocks of time with a break in between. We also have several awards ceremonies each day. We hope you find this competition set up very relaxing and accommodating for parents and families who want to watch, and for directors and dancers as well.

Directions to Logan Senior High

Logan Senior High is located at 150 West 100 South in Logan. It is just one block west of the highway (Main Street) as you come into town. Coming from North or South, turn west at 100 South ~ go through the first light. You will see the school is just past that light. The Auditorium is located inside the front main entrance to the school. There is a large parking lot right across the street. Parking on Friday will be limited due to school until after 3:00.

Awards

The awards at Utah Dance Fest are very delicate (they are dancer figurines) and must be handled with care. Once the awards are in your hands, they are your responsibility. We apologize that we will not be able to replace broken ones.

**GOOD LUCK
& have fun!**

See you soon at Utah Dance Fest 2011!
